

Hello!

Thank you for downloading the Asset!

My name is Andrew.

You can always contact me for help or collaboration.

My experience includes working in Unity, writing code in C#, creating mobile interfaces, particle systems, basic animation in Unity, sound processing, image processing (vector and raster), working with server requests, and much more.

Tools and directions, I use in my work:

- Unity
- C#
- Adobe Illustrator
- Adobe Audition
- Adobe Photoshop
- Lunacy (UX/UI)
- Google Play Console
- App Store Connect
